Dear Parent / Carers

I am writing to inform you that Pre Public Examinations for Year 8 students will be commencing on Friday 28th February; a timetable showing pre public examinations planned sessions is shown on the reverse of this letter and a copy will be available to access via My Child at School and school website.

If your child attends Learning Support for lessons, their examinations will be carried out in a separate room(s).

Please note, mobile phones and watches are prohibited and where possible, should be left at home or in bags / lockers.

Please make sure your child is equipped, they will need a black pen, pencil, ruler, mathematical equipment including a calculator. These should all be kept in a clear plastic pencil case. We are not able to lend everyone equipment and this could mean your child may lose marks if they do not have the correct equipment.

Please note that **all** examinations will start in the hall, drama or learning support classrooms at the time shown on your child's timetable.

It is your child's responsibility to ensure they arrive promptly to the start of the examinations. Late arrival could have an impact on breaks and lunches because a late start will mean a late finish.

If you need any further information please do not hesitate to contact me at the school.

Yours sincerely

T Bates
