Ercall Wood Academy is a warm, welcoming and innovative school in Wellington, Telford. We enjoy modern, state of the art facilities and are proud members of the Learning Community Trust, a family of schools in the local vicinity.

We are seeking to appoint a well-qualified, creative and enthusiastic teacher of Mathematics. Suitable candidates must be committed to the academic and emotional welfare of our children, have a clear vision for how their values underpin their teaching practice and demonstrate enthusiasm for their specialist discipline.

We can provide a high level of support and resources. All teachers are assigned a touch screen laptop to access the wide array of hardware and software tools at our disposal. We have a whole school commitment to developing practice through CPD, coaching, department leads and a dedicated senior lead for Teaching and Learning.

All of our schools are committed to the well-being of our colleagues and all teaching staff have access to a welfare package. We are keen to recruit and retain high calibre staff, within the trust opportunity for career development is high.

If you are an enthusiastic and energetic teacher, committed to engaging learning experiences, this is a great opportunity to join a school where the goal is to achieve success through pupil enjoyment of learning and staff enjoyment of teaching.
