

Executive Principal: Mr Paul Roberts
Deputy Headteacher: Miss Karen Athawes
Deputy Headteacher: Mrs Lisa Fraser

17th March 2020

Dear parent/ carer,

As we are all aware, we are entering into unknown territory as a country and as a school our management of the virus and its containment is key. In response to the everchanging situation with Coronavirus, Ercall Wood Academy is currently putting remote learning procedures in place to support our pupils should we have a partial or full closure of the school.

In the event of a partial or full school closure, subject specific 'Home Learning' materials will be set by teachers on Show My Homework software (SMHW) for pupils to access from home. All pupils have been trained how to use the software and they will be able to download the tasks and complete their Home Learning. Pupils can then upload their completed work onto Show My Homework for teachers to access and check.

Show My Homework can be accessed via the app or from the following hyperlink on our school website student Study Zone:- <http://students.ercallwood.co.uk/>

Student access details for Show My Homework;

Logon using your RM information (see study zone)

firstname.surname@taw805

Password is your school password

A user guide for logging in to Show My Homework is also available on the student Study Zone.

Parental access details for Show My Homework;

Please go to <http://www.ercallwood.co.uk/parents/show-my-homework>

Follow the user guide on how to register your account.

The pin number required will be posted to you.

Further revision resources are also available using the above hyperlink. Should you need to contact any member of staff for advice and support regarding the Home Learning, you can access their email address on our school website using the following hyperlink:- <http://www.ercallwood.co.uk/curriculum/staff-list>

Technical support is also available via email:- ict.admin@taw.org.uk

We will continue to keep you informed of any changes which will affect you and your child via our school website and email system.

Yours faithfully,

Mr McCuskey

Assistant Headteacher
