Good afternoon

We are experiencing network issues with the telephones at the academy which may cause a delay when trying to contact us.

If possible, please use the academy contact form, a link to which is available on the academy website or email [admin@ercallwood.co.uk](mailto:admin@ercallwood.co.uk)

The issues have been reported and we hope to have them resolved as soon as possible. When resolved, an update will be added to the website.

Kind regards

Mrs Rachel Moore  
Operations Manager
