If your answer to all of the above is yes, this could be the opportunity for you.

Ercall Wood Academy is looking to appoint a candidate who is passionate about their subject and is committed to making a positive difference to our community.

You would be joining us at an exciting time as we embark upon the next chapter in our pursuit for educational excellence. We are seeking to appoint a teacher who has the ability to teach this subject across key stage 3 and 4.

Professional learning is fundamental to this culture, so we invest heavily in our employees through our learning and development programmes. The academy environment is modern and purposeful, with a centralised behaviour system which allows teachers to teach and students to learn.

This role is ideal for someone seeking a new challenge, wanting to further develop on their already gained classroom experience, or a great opportunity for any recent graduates with QTS seeking their first teaching post.
