

Student Travel 2024-25

Arriva would like to take this opportunity to remind you about the options we have available to support students who will be travelling to school and college on our buses during the new academic year.

Arriva Student Saver tickets not only provide your child with reduced priced bus travel on their journey to and from school, but they can also use their pass to travel in the evenings, at weekends, and throughout all school term holidays.

You can spread the cost of our saver tickets over affordable monthly payments with our easy-to-use direct debit scheme. It is simple to apply and there is no setup fee or minimum contract, which means you can cancel your direct debit and stop your ticket at any time should your circumstances change. This makes it the ideal way to get reduced price bus travel without paying upfront.

To arrange your Direct Debit and for further information please scan the QR code or follow the link below:

Child Saver tickets are valid for pupils up to and including year 11.

Student Saver tickets are available for anyone aged 16+ in full time education.

To ensure you get your saver ticket in time for the start of the new academic year, you can register for your ticket now but set your payments to commence after the summer holidays. Then once we have received your first payment, your ticket will automatically be sent to you, and you won't need to worry about your paying for tickets on the bus. You can choose to receive your ticket by post or if you download the Arriva UK bus app onto the ticket holders' phone and we can send an m-ticket to their app instead.
